MASTER
DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS
FOR
WATERFRONT DISTRICT

THIS DECLARATION is made effective as of the 4th day of December, 2006,
by Waterfront District, LLC, an Idaho limited liability company ("Grantor").

ARTICLE I

RECITALS

1.1 Property Covered. The property subject to this Master Declaration of Covenants, Conditions and Restrictions for Waterfront District ("Master Declaration") is the Property defined in Section 3.29 below, and further described in Exhibit "A" (the "Property").

1.2 Mixed Use Development. The Waterfront District is a subdivision in Garden City's Mixed Use zoning district, approved as a Planned Unit Development (PUD), and granted final plat approval by Garden City Council on November 14, 2005 (hereby incorporated herein by reference). The Property is located on the Boise River, adjacent to public parks, near the urban core of the metropolitan area. The purpose of Mixed Use PUD is to establish an appropriate blend of permitted uses, so that residents and others in the community will be able to pursue a full range of "live-work-play" land uses, on a scale accessible to each other by walking or other short connection, without rigid division of land uses into vast mono-cultures of residential or commercial activities connected only by arterial or freeway automobile travel. While the uses are a fine mix, a framework of rules is intended to provide a background of understanding regarding the inter-relationship of the particular uses, to prevent conflicts between uses, and to provide a normal administrative mechanism for the homeowners associations. The Waterfront District consists of four neighborhood areas ("Neighborhood Areas") and types of townhouse residential units, one Neighborhood Area being designated "live-work" in which certain limited commercial uses are permitted; a Neighborhood Area of single-family homes; four condominium building lots, which may be a single Neighborhood Area or as many as four Neighborhood Areas, and each of which building lots will be further subdivided to create individual residential and commercial condominium units; and three lots dedicated to retail or restaurant use. The Waterfront District also includes common area to be owned by the owners of the lots in the subdivision, or (for example in the case of private roads) by those particular owners using a particular part of the common area. A large portion of the common area

lies along the Boise River, across from existing and proposed park land in the City of Boise. This riverfront has been protected by a certain Conservation Easement relating to the Property, and specific areas of public and private use have been established, the public areas by grant of a Recreation Easement relating to the Property. Both the Conservation Easement and Recreation Easement are filed of record in the Ada County Recorder of Deeds, and incorporated herein by reference. A table of the lots and their respective permitted uses is set out below. This table is for convenience of reference only, and the permitted uses listed are subject to the more specific descriptions and restrictions set forth in this Declaration and the conditions of approval. This Declaration is further intended to implement the approval granted and the conditions imposed in connection with the subdivision and PUD approval by Garden City, and therefore grants certain rights to Garden City. Grantor may subject property in addition to that described on Exhibit A to the provisions hereof by annexing such parcel into the Property pursuant to a Supplemental Declaration. Grantor reserves all right to make changes at any time to any part of the Property remaining in Grantor's ownership, subject only to the approval of Garden City, and this Declaration imposes no obligation on Grantor as to how the Property is to be developed unless and until the conveyance of the first lot in a particular Neighborhood Area of the Waterfront District, as shown in the table below.

The review and approval may concern, without limitation, topography, finish ground elevations, architectural symmetry, landscaping, drainage, color, material, design, physical or aesthetic impacts on Common Areas, artistic conformity to the terrain and the other improvements on the Property. Said requirements as to the approval of the architectural design shall apply only to the exterior appearance of buildings. This Master Declaration is not intended to serve as authority for the Architectural Committee to control the interior layout or design of buildings except to the extent incidentally necessitated by use and size restrictions.

4.2.3 Coordination with Garden City Rights and Conditions under PUD. A copy of the written approval of the Architectural Committee shall be provided to Garden City prior to the issuance of a building permit by Garden City for the contemplated structure or Improvement. If the Association has exercised its rights of architectural review through the Committee, or through its Board, the architectural or design review condition required by the PUD shall be deemed satisfied. If the Association has failed or refused to do so, Garden City may then at its option exercise such rights.

4.2.4 Setbacks. No dwelling unit or other structure (exclusive of fences and similar structures) shall be placed nearer to the Building Lot property lines than permitted by the Plat for the Neighborhood Area in which the Building Lot is located or by any applicable zoning restriction, conditional use permit, or planned unit development approval. The following setback provisions shall apply, together with any setback line shown on the Plat:

4.3 Insurance Rates. Nothing shall be done or kept on any Building Lot or Property Unit which will increase the rate of insurance on, or cause the cancellation of insurance on, any other Building Lot or Property Unit, without the approval of the Owner of such other Building Lot or Property Unit, where such insurance is a policy owned by an Owner or the Association for standard fire and/or hazard protection of building and contents.

4.4 No Further Subdivision. No Building Lot may be further subdivided, nor may any easement or other interest therein less than the whole be conveyed by the Owner thereof without the prior written approval of the Board of the Master Association; provided, however, that nothing in this section shall be deemed to prevent an Owner from, or require the approval of the Board for, transferring or selling any Building Lot to more than one person to be held by them as tenants in common, joint tenants, tenants by the entirety or as community property.

4.5 Signs. No sign of any kind shall be displayed to the public view without the approval of the Architectural Committee, except such signs as may be used by Grantor in connection with the development of the Property and sale of Building Lots, and except such signs of customary and reasonable dimensions as prescribed by the Architectural Committee as may be displayed on or from a Building Lot identifying the Owner or resident, the street address, or advertising the residence for sale or lease. Any customary "for sale" or "for lease" signs not more than three (3) feet by two (2) feet shall not require Architectural Committee approval. Temporary signs naming the contractor, the architect and the lending institution for a particular construction operation may be placed on the Property with approval of the Architectural Committee.

4.6 Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate anywhere upon the Property. No odor shall be permitted which would render the Property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other Property Unit or to its occupants. No noise, vibration, glare, light or other nuisance shall be permitted to exist or operate upon any portion of the Property so as to be offensive or detrimental to any other Property Unit or to its occupants. Without limiting the generality of any of the foregoing provisions, no

exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), flashing lights or search lights, shall be located, used or placed on any such property without the prior written approval of the Board.

4.7 Exterior Maintenance; Owner's Obligations. No Improvement shall be permitted to fall into disrepair, and each improvement shall at all times be kept in good condition and repair. In the event that any Owner shall permit any Improvement, which is the responsibility of such Owner to maintain, to fall into disrepair so as to create a dangerous, unsafe, unsightly or unattractive condition, the Board of the Local Association of which such Owner is a Member (or the Board of the Master Association if the Local Association fails to Act), upon fifteen (15) days prior written notice to the Owner of such Property, shall have the right to correct such condition, and to enter upon such Owner's Building Lot for the purpose of doing so, and such Owner shall promptly reimburse the Local or Master Association as the case may be for the cost thereof. Such cost shall be a Limited Assessment and shall create a lien enforceable in the same manner as other Assessments set forth in Article VII of this Declaration. The owner of the offending property shall be personally liable, and his property may be subject to a mechanic's lien for all cost and expense incurred by the Association in taking such corrective acts, plus all costs incurred in collecting the amounts due. Each owner shall pay all amounts due for such work within ten (10) days after receipt of written demand therefor, or the amounts may, at the option of the Board, be added to the amounts payable by such Owners as Regular Assessments.

4.8 Drainage. There shall be no interference with the established drainage pattern over any portion of the Property, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Architectural Committee. For the purposes hereof, "established" drainage is defined as the system of drainage, whether natural or otherwise which exists at the time the overall grading to any portion of the Property is completed by Grantor or that which is shown on the Waterfront District Plat or plans prepared in connection therewith, or any plans approved by the Architectural Committee, which may include drainage from Common Areas over any Building Lot or Lots in the Property.

4.9 Grading. The owner of any Lot(s) within the subdivision in which grading or other work has been performed pursuant to a grading plan approved in connection with development as shown on the Waterfront District Plat, or the Master or Local Association responsible for maintaining a Common Area on which such grading work has been performed, shall maintain and repair all graded surfaces and erosion prevention devices, retaining walls, drainage structures, means or devices which are not the responsibility of a public agency, and plantings and ground cover installed or completed thereon. Such requirements shall be subject to Regular, Special, and Limited assessments provided in Article V herein, as may be applicable.

4.10 Water Supply Systems. Water for use on the respective residential and commercial Building Lots and Property Units shall be provided by Garden City or the appropriate succeeding public water supply system. Water for irrigation of landscaping may be provided by the Master Association, conditioned upon transfer from the Grantor of required water rights to the existing well

on the Property. All other water rights shall remain vested in Grantor, subject to Grantor's conveyance at its discretion. No separate or individual water supply system, regardless of the proposed use of the water to be delivered by such system, shall be permitted on any Building Lot unless such system is designed, located, constructed and equipped in accordance with the requirements, standards and recommendations of the Board of the Master Association and all governmental authorities having jurisdiction.

4.11 No Hazardous Activities. No activities shall be conducted on the Property and no improvements constructed on any Property Unit or Common Area which are or might be unnecessarily or abnormally hazardous to any person or property.

4.12 Unsightly Articles. No unsightly articles shall be permitted to remain on any Building Lot so as to be visible from any other portion of the Property. Without limiting the generality of the foregoing, refuse, garbage and trash shall be kept at all times in such containers and in areas approved by the Architectural Committee. No clothing or fabrics shall be hung, dried or aired in such a way as to be visible to other property, and no equipment, containers, lumber, grass, shrub or tree clippings, plant waste, metals, bulk material, scrap, refuse or trash shall be kept, stored or allowed to accumulate on any property except within an enclosed structure appropriately screened from view.

4.13 No Temporary Structures. No house trailer, mobile home, tent (other than for short term individual use), shack or other temporary building, improvement or structure shall be placed upon any portion of the Property, except temporarily as may be required by construction activity undertaken on the Property or unless such temporary structure is necessary for a commercial purpose and is approved by the Architectural Committee.

4.14 No Unscreened Boats, Campers and other Vehicles. No boats, trailers, campers, and no dilapidated or unrepaired and unsightly automobiles, vehicles or similar equipment shall be placed upon any portion of the Property (including, without limitation, streets, parking areas and driveways) unless the same are enclosed by a structure concealing them from view in a manner approved by the Architectural Committee.

4.15 Sewage Disposal Systems. No individual sewage disposal system shall be used on the Property. Each Owner shall connect the appropriate facilities on his Building Lot to the Garden City sewer system and pay all charges assessed therefor.

4.16 No Mining or Drilling. No portion of the Property shall be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing water, oil, gas or other hydrocarbons, minerals, rocks, stones, sand, gravel or earth. This paragraph shall not prohibit exploratory drilling or coring which is necessary to construct a building.

4.17 Exterior Equipment. No energy production devices, including but not limited to generators of any kind, and wind or solar energy devices, shall be constructed or maintained on any

portion of the Property without the approval of the Architectural Committee. Air conditioners, heat pumps, generators, wind and solar energy devices, antennae, satellite dishes and similar outside equipment shall be shown in the plans approved by the Architectural Committee. This paragraph shall not apply to passive solar energy systems incorporated into the approved design of a residential or commercial building.

4.18 Vehicles. The use of all vehicles, including but not limited to trucks, automobiles, bicycles, motorcycles, snowmobiles, aircraft and boats, shall be subject to all Association Rules, which may prohibit or limit the use thereof within Waterfront District. No on-street parking shall be permitted except where expressly designated for parking use. No motorized vehicle or device shall be permitted on any Common Area without the written approval of the Master Association Board unless such vehicle is engaged in an emergency procedure, or is engaged in permitted maintenance of the Common Area.

4.19 Animals/Pets. No animals, birds, insects or livestock shall be kept on the Property unless the presence of such animal does not constitute a nuisance. Household pets of an Owner shall be permitted only if they are kept on the Property Unit of the Owner, or on leash or other direct control when on a Common Area, and at no time do they unreasonably bother or constitute a nuisance to other Owners. Persistently barking dogs are prohibited. All dog and cat waste shall be picked up and properly disposed of by the Owner. The construction of dog runs or other pet enclosures shall be subject to Architectural Committee approval, shall be appropriately screened, and maintained in a sanitary condition.

4.20 Building and Landscaping. Within eight (8) months after the later of conveyance of title to a Building Lot to a purchasing Owner, or approval of plans and specifications by the Architectural Committee, such Owner shall construct the improvement and install the landscaping provided for in the plans and specifications. The Owner shall thereafter maintain the improvement and landscaping in a neat and attractive condition, including all necessary gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation. The above eight (8) month time may be extended by the Architectural Committee for good cause. This paragraph shall not affect or prevent the establishment of a different time period by Grantor in a contract for sale of any Building Lot or Property Unit. During the said eight-month period, Owner shall control weeds, and maintain the property in a clean and safe condition free of debris or any hazardous condition.

The Board may adopt rules regulating landscaping permitted and required. In the event that any Owner shall fail to install and maintain landscaping in conformance with such rules or shall allow his landscaping to deteriorate to a dangerous, unsafe, unsightly or unattractive condition, the Board, or the Board of the Local Association of which such Owner is a Member, upon fifteen (15) days' prior written notice to such Owner, shall have the right to correct such condition and to enter upon such Owner's property for the purpose of doing so, and such Owner shall promptly reimburse the Waterfront District Association or Local Association for the cost thereof. Such cost shall be a

Limited Assessment and shall create a lien enforceable in the same manner as other assessments as set forth in Article VIII.

4.21 Owner Occupancy. The Owner of the Building Lot or Property Unit shall be required to occupy the Building Lot or Property Unit as Owner's primary residence, or a secondary residence, for all Building Lots or Property Units having residential as their primary use. That is, this provision shall not apply to retail or office Building Lots or Property Units or Common Area. No other person or persons shall occupy the Building Lot or Property Unit, neither as a tenant for as a gratuitous long-term guest, except for parents or adult children with or without the Owner in residence. The Board may allow reasonable and temporary exemptions, upon application to the Board and the Board's approval in writing, and subject to such conditions as the Board may deem appropriate. Such exemptions may include, but are not limited to, ownership by a trust or estate, or rental when the Owner is out of the area in connection with a move or business transfer. Provided, at no time shall the total number of non-Owner occupancy exceed ten percent (10%) of the Building Lots or Property Units in any Neighborhood Area or Local Association.

4.22 Exemption of Grantor. Nothing contained herein shall limit the right of Grantor to subdivide or resubdivide any portion of the Property, to grant licenses, to reserve rights-of-way and easement with respect to Common Areas to utility companies, public agencies or others, or to complete excavation, grading and construction of improvements to and on any portion of the Property owned by Grantor, to alter the foregoing and its construction plans and designs, or to construct such additional improvements as Grantor deems advisable in the course of development of the Property so long as any Building Lot in the Property remains unsold and so long as such subdivision or construction does not materially detract from the quality of the Waterfront District. Such right shall include, but shall not be limited to, erecting, constructing and any other thing or action reasonably necessary for the conduct of its business of completing the work as shown on the Waterfront District Plat and disposing of the Property by sale, lease or otherwise. Grantor shall have the right at any time prior to acquisition of title to a Building Lot by purchaser from Grantor to grant, establish and/or reserve on that Building Lot additional licenses, reservations and rights-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the property development and disposal of the Property. Grantor may use any structures owned by Grantor on the Property as model home complexes or real estate sales or leasing offices. Grantor need not seek or obtain Architectural Committee approval of any Improvement constructed or placed by Grantor on any portion of the Property owned by Grantor. The rights of Grantor hereunder may be assigned by Grantor to any successor in interest to any portion of Grantor's interest in any portion of the Property, by an express written assignment recorded in the Office of the Ada County Recorder. If not so assigned, such exemption shall terminate as to any Building Lot upon conveyance by WDLLC of the Building Lot to a third party.

ARTICLE V

WATERFRONT DISTRICT ("MASTER") ASSOCIATION

5.1 Organization of Waterfront District Association. The Waterfront District Owners Association, Inc. ("Master Association") shall be organized by Grantor as an Idaho corporation under the provisions of the Idaho Code relating to general non-profit corporations and shall be charged with the duties and invested with the powers prescribed by law and set forth in the Articles, By-Laws and this Declaration. Neither the Articles nor the By-Laws shall be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration or with any Supplemental Declaration which Grantor may adopt pertaining to Waterfront District.

5.2 Membership. Each Owner, by virtue of being an Owner and for so long as such ownership is maintained, shall be a Member of the Master Association. Memberships in the Master Association shall be appurtenant to the Building Lot or Property Unit owned by such Owner. The memberships in the Master Association shall not be transferred, pledged, assigned or alienated in any way except upon the transfer of Owner's title and then only to the transferee of such title. Any attempt to make a prohibited membership transfer shall be void.

5.3 Voting. Voting in the Master Association shall be carried out by Delegates who, acting on behalf of the Local Associations established for particular tracts or on behalf of Grantor, shall cast the votes attributable to the Property Units in their respective Neighborhood Areas or attributable to the portions of such Neighborhood Areas owned by Grantor. The number of votes any Delegate may cast on any issue is determined by the number of full Property Units existing in the Neighborhood Area which such Delegate represents or which Grantor owns. Any fractional Property Unit existing by virtue of ownership of a commercial unit shall be counted as a fraction of a vote. For voting purposes, the Master Association shall have two (2) classes of delegates as described below.

5.3.1 Class A Delegates. Delegates representing Local Associations, selected pursuant to Article VII, shall be known as Class A Delegates. Each Class A Delegate shall be entitled to cast one (1) vote for each Property Unit existing on the day of the vote and located within the Neighborhood Area for which such Delegates is the representative.

5.3.2 Class B Delegates. The Grantor shall be known as the Class B Delegate. Grantor shall be the Class B Delegate for each Neighborhood Area or portion thereof which Grantor owns, regardless of whether there is also a Local Association representing Owners including Grantor on such Neighborhood Area. Upon the formation of the Master Association, the Class B Delegate shall be entitled to five (5) votes for each Property Unit of which Grantor is the Owner. The Class B Delegate shall cease to be a voting Delegate in the Master Association when the total cumulative vote of the Class A Delegates equal or exceed the total vote of the Class B Delegates provided that the Class B Delegate membership shall not cease before the expiration of five (5) years from the date on which the first Building Lot is sold to an Owner. When the Grantor establishes a Neighborhood Area as described herein, the Grantor shall acquire Delegate voting rights with respect to such Neighborhood Area as provided in this Article.

5.3.3 Only Delegates Vote. All voting power in the Master Association shall be exercised by Class A and Class B Delegates, and no Member who is not a Delegate shall be entitled to vote. The Board shall recognize only one Delegate from each Local Association.

5.4 Board of Directors and Officers. The affairs of the Master Association shall be conducted and managed by a Board of Directors ("Board") and such officers as the Directors may elect or appoint, in accordance with the Articles and By-Laws, as the same may be amended from time to time. The initial Board of Directors of the Master Association shall be appointed by the incorporators or their successors and shall hold office until the first annual meeting, at which time a new Board of Directors shall be elected in accordance with the provisions set forth in the By-Laws.

5.5 Power and Duties of the Waterfront District Master Association.

5.5.1 Powers. The Master Association shall have all the powers of a non-profit corporation organized under the general non-profit corporation laws of the State of Idaho subject only to such limitations upon the exercise of such powers as are expressly set forth in the Articles, the By-Laws, this Master Declaration and any Supplemental Declaration which Grantor might adopt pertaining to Waterfront District. It shall have the power to do any and all lawful things which may be authorized, required or permitted to be done by the Master Association under Idaho law and under this Declaration, and any Supplemental Declaration, the Articles and By-Laws, and to do and perform any and all acts which may be necessary to, proper for or incidental to the property management and operation of the Common Areas and its other assets, including water rights when and if received from Grantor, and affairs and the performance of the other responsibilities herein assigned, including without limitation:

5.5.1.3 Delegation of Powers. The authority to delegate its power and duties to committees, officers, employees, or to any person, firm or corporation to act as manager, and to contract with a Local Association for the maintenance, repair, replacement and operation of the Local Common Area. Neither the Master Association nor the members of its Board shall be liable for any omission or improper exercise by the manager of any such duty or power so delegated.

5.5.1.4 Association Rules. The power to adopt, amend and repeal by majority vote of the Board such rules and regulations as the Master Association deems reasonable. The Association may establish rules and regulations governing the use of the Common Areas, including but not limited to the use of private streets, driveways, paths, and riverfront, by the Owners, their families, invitees, licensees, lessees or contract purchasers; provided, however, that any Association Rules shall apply equally to all Owners of the particular Common Area or part thereof, and shall not be inconsistent with this Declaration, the Articles or By-Laws or any Supplemental Declaration Grantor may adopt pertaining to any portion of the Waterfront District. A copy of the Association rules and regulations, as they may from time to time be adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner and a copy shall be posted in a conspicuous place within the Common Area. Upon such mailing or delivery and posting, the Association Rules shall have the same force and effect as if they were set forth in and were a part of this Master Declaration. In the event of any conflict between such rules and any other provisions of this Declaration, or any Supplemental Declaration, or the Articles or By-Laws, the provisions of the Association Rules shall be deemed to be superseded by the provisions of this Master Declaration, such Supplemental Declaration, the Articles or the By-Laws to the extent of any such inconsistency.

5.5.1.5 Emergency Powers. The power, exercised by the Master Association or by any person authorised by it, to enter upon any property (but not inside any building constructed thereon) in the event of any emergency involving illness or potential danger to life or Property or when necessary in connection with any maintenance or construction for which the Master Association is responsible. Such entry shall be made with reasonable notice when possible, and as little inconvenience to the Owner as practicable, and any damage caused thereby shall be repaired by the Master Association.

In addition to duties necessary and proper to carry out the power delegated to it by the Master Declaration and/or the Articles, without limiting the generality thereof, the Master Association or its agent, if any, shall have the authority and the obligation to conduct all business affairs of the Master Association and to perform, without limitation, each of the following duties:

5.5.2.1 Operation and Maintenance of Common Areas. Operate, maintain and otherwise manage or provide for the operation, maintenance and management of the Common Area, including the repair and replacement of property damaged or destroyed by casualty loss and all other property acquired by the Master Association. 5.5.2.2 Taxes and Assessments. Pay all real and personal property taxes and assessments separately levied against the Waterfront District Common Area or against Waterfront District, the Master Association and/or any other property owned by the Master Association. Such taxes and assessments may be contested or compromised by the Master Association; provided, however, that they are paid or a bond insuring payment is posted prior to the sale or disposition of any property to satisfy the payment of such taxes. In addition, the Master Association shall pay all other taxes, federal, state or local, including income or corporate taxes levied against the Master Association in the event that the Master Association is denied the status of a tax exempt corporation.

5.5.2.3 Water and Other Utilities. Acquire, provide and/or pay for water, sewer, garbage disposal, refuse and rubbish collection, electrical, telephone and gas and other necessary services for the Waterfront District Common Area, and to manage for the benefit of Waterfront District all water rights and rights to receive water held by the Master Association, whether such rights are evidenced by license, permit, claim, stock ownership or otherwise.

5.5.2.4 Insurance. Obtain, from reputable insurance companies authorized to do business in the state of Idaho, and maintain in effect any insurance policy the Board deems necessary or advisable, including, without limitation the following policies of insurance:

5.5.2.4.1 Fire insurance including those risks embraced by coverage of the type known as the broad form "All Risk" or special extended coverage endorsement on blanket agreed amount basis for the full insurable replacement value of all

5.5.2.4.2 Comprehensive public liability insurance insuring the Board, the Master Association, the Grantor and the individual grantees and agents and employees of each of the foregoing against any liability incident to the ownership and/or use of the Waterfront District Common Area. 5.5.2.4.4 Such other insurance including motor vehicle insurance and Workmen's Compensation insurance to the extent necessary to comply with all applicable laws and indemnity, faithful performance, fidelity and other bonds as the Board shall deem necessary or required to carry out the Master Association functions or to insure the Master Association against any loss from malfeasance or dishonesty of any employee or other person charged with the management or possession of any Master Association funds or other property.

5.5.2.4.5 The Master Association shall be deemed trustee of the interests of all Owners in any insurance proceeds paid to it under such policies, and shall have full power to receive their interests in such proceeds and to deal therewith.

5.5.2.4.6 Insurance premiums for the above insurance coverage shall be deemed a common expense to be included in the Regular Assessments levied by the Master Association.

5.5.2.4.7 Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for PUD projects established by Federal National Mortgage Association ("FNMA"), the Government National Mortgage Association ("GNMA"), and the Federal Home Loan Mortgage Corporation ("FHLMC"), so long as any of which is a mortgagee or Owner of a Building Lot within the project, except to the extent such coverage is not available or has been waived in writing by the FNMA, GNMA or FHLMC, as applicable.

The interior block townhouses, Block 2, Lots 1-11, 15-27, shall be a Local Association having responsibility and control over the common alley, 20 feet wide, to be maintained with pavement and grass and stormwater infiltration area, all as shown on the Plat, as Local Common Area.

6.1.4 Westerly Block Townhouses. The westerly block townhouses, Block 3, Lots 1-7, 9-15, 17-23, 25-29, and retail Lot 30, shall be a Local Association, having responsibility and control of the private roads, Block 3, Lots 8 and 24, to be maintained as private roads for

approximately 150 linear feet each from the public road, with a connecting Pathway between them, and perimeter buffer, and Block 3, Lot 16 to be maintained as a common green open space as provided elsewhere herein. Provided, Block 3, Lot 30, shall not share the costs nor vote nor have rights of use in Lot 16, but shall vote and share costs regarding the said private roads, to choose a Master Association Delegate, and otherwise.

6.1.5 Waterfront Townhouses. The waterfront townhouses, Block 1, Lots 7-13, shall be a Local Association, having responsibility and control for the surrounding common area, Block 1, Lot 6, as Local Common Area, to be maintained as and improved with a common driveway to the said Building Lots, with entry on the public road in common with adjacent Block 1, Lot 5, a structure connecting the two townhouse buildings as Local Association shall desire in its discretion, the balance as lawn and landscaping.

6.1.6. Condominium and Retail Hub. The hub of four condominium Lots and two retail Lots, Block 1, Lots 1-5 and Block 2, Lot 29, shall initially be a single Local Association. Upon subdivision into residential and commercial condominium space, the said Lots may continue as a single Local Association or create additional Local Associations, to be provided by Supplemental Declaration.

6.2 Management, Powers and Duties. Each Local Association shall be managed in the same manner specified in the Applicable Supplemental Declaration or other instrument and/or in the Articles and By-Laws of the Association, shall have the same powers, rights, obligations and duties and be subject to the same limitations and restrictions including levying Assessments, adopting rules and regulations, granting easements and licenses, managing property and water rights, paying expenses, taxes, assessments, utility charges, insurance premiums and preparing budgets and financial statements as are provided for herein for the Master Association except as modified herein or by a Supplemental Declaration. The Board members, officers, managers and Grantor also shall be free of personal liability as to the Local Association in the same manner as described herein with respect to the Master Association.

6.3. Members of Local Associations. Where a Local Association is created, the Members thereof shall be all the Owners of Building Lots, including Grantor while it remains an Owner, in the respective Neighborhood Areas designated in the Supplemental Declarations. Memberships may be transferred only as specified in Section 5.2 for the Master Association.

6.4 Voting in Local Associations. Each Local Association shall have two (2) classes of voting memberships as described below. The number of votes each Member may cast on a single vote will be determined according to the number of Property Units existing on that portion of the Property the Member owns, in the same manner and amounts as votes are allocated to Delegates in Section 5.3. When more than one person holds an interest in any Building Lot, all such persons shall be Members but shall share the votes attributable to the Property Units on the Building Lot.

6.4.1 Class A Member. Class A Members shall be all Owners, except Grantor, owning portions of the Neighborhood Area covered by the Local Association. The Grantor shall become a Class A member when the Class B membership ceases, as described in paragraph 6.4.2, with Grantor remaining an Owner. Each Class A Member shall have one (1) vote for each Property Unit he owns in that Neighborhood Area.

6.4.2 Class B Member. The Class B Member shall be the Grantor. The Class B Member is entitled to five (5) votes for each Property Unit which Grantor owns in that Neighborhood Area. The Class B membership in such Local Association shall cease when the total cumulative votes exercisable in the Class A membership for that Neighborhood Area equal or exceed the total votes exercisable in the Class B membership, provided that the Class B membership shall not cease before the expiration of five (5) years from the date the first Building Lot in the Neighborhood Area covered by the Local Association is sold to an Owner.

In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. When an Owner casts a vote, it will thereafter be presumed conclusively for all purposes that he was acting with authority and consent of all other Owners of the Property Unit from which the vote derived. The right to vote may not be severed from the ownership of the Building Lot, but an Owner may grant a revocable proxy or assign his right to vote, to a lessee or contract buyer, for the term of the lease, mortgage, deed of trust or contract. Any sale, transfer or conveyance of such Building Lot to a new Owner shall operate automatically to transfer the appurtenant voting right to the new Owner, subject to any separate assignment of the right to vote to a lessee or beneficiary as provided herein.

6.5 Annual Meetings of Local Association. There shall be an annual meeting of the Members of each Local Association at least ten (10) days but no more than sixty (60) days before every annual meeting of the Master Association. Such meeting shall be held on the Neighborhood Area which the Local Association covers, or at such other convenient location in or near the Property as may be designated in the notice of such meeting. Written notice of the time, place and purpose of each annual meeting shall be sent to each Member of the Local Association no fewer than ten (10) days and no more than thirty (30) days before the meeting as provided in the Local Associations By-Laws or Articles.

6.6 Special Meeting. A special meeting of the Local Association Members may be called by a majority of the Board at any reasonable time and place by written notice delivered to all other Members not less than ten (10) nor more than thirty (30) days before the date fixed for such special meeting, specifying the date, time and place thereof and the nature of the business to be conducted. Such notice shall be delivered in the manner specified in the Local Association's Articles and/or By-Laws.

6.7 Election of Class A Delegates. At the first meeting of the Members in a Local Association and at each subsequent annual meeting, the Members shall elect the Class A Delegate

to represent them by a majority of all votes cast. Such Class A Delegate shall continue to be a Class A Delegate for one (1) year or until his successor is elected, whichever is later, unless such Class A Delegate is removed by a vote or written consent of members representing a majority of the votes in such Local Association.

6.8 Delegate Voting. Each Delegate of a Local Association shall be a Class A Delegate and shall be entitled to vote as provided in Section 5.3 and shall cast the votes which he represents in such manner as he may, in his sole discretion, deem appropriate unless he is directed by vote of the Local Association to cast the votes in a particular manner. When a Class A Delegate is voting in his own discretion without instruction from the Members he represents, then such Delegate shall cast all of the votes which he represents as a unit and may not apportion some in favor of a given proposal and some in opposition.

6.9 Quorum and Officers of Meetings. The presence at any regular or special meeting, in person or by written proxy, of the Members entitled to vote at least thirty percent (30%) of the total votes within such Local Association shall constitute a quorum. If any meeting cannot be held because a quorum is not present, the Owners or Members present, either in person or by proxy, may adjourn the meeting to a time not less than ten (10) days nor more than thirty (30) days from the time the original meeting was called. At such second meeting a quorum shall constitute the number of members specified in the Local Association's Articles and By-Laws. The Members present at each meeting shall select a chairman to preside over the meeting and a secretary to transcribe minutes of the meeting.

6.10 Powers and Duties. Each such Local Association shall be managed by a Board of Directors and officers in the same manner as specified in Section 5.4 for the Waterfront District Association, shall have the same powers and duties with respect to its Members or the property owned, managed or maintained by it, including levying, assessments, adopting rules and regulations, granting easements, licenses and rights-of-way, payment of expenses, taxes, assessments, utility charges, insurance premiums and the preparation and distribution of budgets and financial statements as are provided in Section 5.5 for the Waterfront District Association. Each such Local Association may certify to the Waterfront District Association the amount of such assessments and charges for collection. The Board member, committee, offices, managers and Declarant shall also be free of personal liability as to the Local Association in the same manner as described in Section 5.6 for the Waterfront District Association.

ARTICLE VII

RIGHTS TO COMMON AREA

7.1 Use of Waterfront District Common Area. Every Owner shall have a right and easement to use each parcel of the Waterfront District Common Area, and to the extent permitted

by the appropriate Supplemental Declaration or other instrument, each parcel of Local Common Area, which rights and easements shall be appurtenant to and shall pass with the title to every Building Lot, subject to the following provisions:

7.1.1 The right of the Association holding or controlling such Common Area to levy and increase Assessments;

7.1.2 The right of such Association to suspend the voting rights and rights to use of, or interest in, a Common Area by an owner for any period during which any Assessment or charge against his Building Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations; and

7.1.3 The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be permitted by the Articles and By-Laws and agreed to by the Members. No dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer signed by Delegates representing eighty percent (80%) of each class of Members has been duly executed and filed of record with the Ada County Recorder of Deeds.

7.2 Designation of Common Area. Grantor shall designate and reserve or convey Waterfront District Common Area, and Local Common Areas in the Master Declaration, Supplemental Declarations and/or recorded Plats, deeds or other instruments and/or as otherwise provided herein.

7.3 Delegation of Right to Use. Any Owner may delegate, in accordance with the respective By-Laws and rules and regulations of the Master Association or any Local Association, as the case may be, his right of enjoyment to the Local Common Area, or the Waterfront District Common Area, to the members of his family, his tenants or contract purchasers who reside on such Owner's Building Lot, and accompanied guests of the foregoing.

7.4 Damages. Each Owner shall be fully liable for any damage to any Common Area which may be sustained by reason of the negligence or willful misconduct of the Owner, his resident tenant or contract purchaser or his family and guests, both minor and adult. In the case of joint ownership of a Building Lot, the liability of such Owners shall be joint and several. The cost of correcting such damage shall be a Limited Assessment against the Building Lot and may be collected as provided herein for the collection of other Assessments.

ARTICLE VIII

ASSESSMENTS

8.1 Covenant to Pay Assessments. By acceptance of a deed to any property in Waterfront District, each Owner hereby covenants and agrees to pay when due all Assessments or charges made by the Master Association and/or a Local Association, including all Regular, Special and Limited Assessments and charges made against such Owner pursuant to the provisions of this Declaration or any Supplemental Declaration or other applicable instrument.

8.1.1 Assessment Constitutes Lien. Such Assessments and charges together with interest, costs and reasonable attorneys' fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the Building Lot or Property Unit against which such Assessment or charge is made.

8.1.2 Assessment is Personal Obligation. Each such Assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such property beginning with the time when the Assessment falls due. The personal obligation for delinquent Assessments shall not pass to the Owner's successors in title unless expressly assumed by them but shall remain personal obligation regardless of whether he remains an Owner.

8.2 Regular Assessments. All Owners, including the Grantor, are obligated to pay Regular Assessments to the Treasurer of the Association on a schedule of payments established by the Board of the Association.

8.2.1 Purpose of Regular Assessments. The proceeds from Regular Assessments are to be used to pay for all costs and expenses incurred by the Association for the conduct of its affairs, including without limitation the costs and expenses of construction, improvement, protection, maintenance, repair, management and operation of the Common Areas, including all improvements located on such areas owned and/or managed and maintained by such Association, and an amount allocated to an adequate reserve fund to be used for replacement of those elements of the Common Areas or other property of the Association that must be replaced on a regular basis (collectively "Expenses").

8.2.2 Computation of Regular Assessments. The Association shall compute the amount of its Expenses on an annual basis by making advance estimates of the expected Expenses for the coming year. The Board can require, in its discretion or as provided in the Articles or By-Laws, payment of Regular Assessments in monthly, quarterly, semi-annual or annual installments. The Board shall compute the amount of Regular Assessments owed beginning the first day of the month in which the closing of the first sale of a Building Lot occurred in Waterfront District for the purpose of a Master Association's Regular Assessment and in the applicable Neighborhood Area for the purposes of a Local Association's Regular Assessment ("Initiation Date"). Thereafter, the computation of Regular Assessments shall take place not less than thirty (30) nor more than sixty (60) days before the beginning of each fiscal year of the Association. The computation of the Regular Assessment for the period from the

Initiation Date until the beginning of the next fiscal year shall be reduced by an amount which fairly reflects the fact that such period was less than one year.

8.2.3 Amounts Paid by Owners. The Regular Assessment to be paid by any particular Owner, including Grantor, for any given fiscal year shall be computed as follows:

8.2.3.1 As to the Master Association's Regular Assessment, each Owner shall be assessed and shall pay an amount computed by multiplying the Association's total advance estimate of Expenses by the fraction produced by dividing the Property Units attributable to the Owner by the total number of Property Units in the Property.

8.2.3.2 As to any Local Association, each Owner who is also a Member of such Association, including Grantor while it is such an Owner, shall be assessed and shall pay an amount computed by multiplying such Association's total advance estimate of Expenses by the fraction produced by dividing the number of Property Units in the applicable Neighborhood Area attributable to such Owner by the total number of Property Units in such Neighborhood Area.

8.3 Special Assessments.

8.3.1 Purpose and Procedure. In the event that the Board of an Association shall determine that its respective Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses of such Association for any reason, including but not limited to costs of construction, reconstruction, unexpected repairs or replacement of capital improvements upon the Common Area owned or managed by such Association, or for any other reason, the Board thereof shall determine the approximate amount necessary to defray such Expenses and levy a Special Assessment against the portions of the Property within its jurisdiction which shall be computed in the same manner as Regular Assessments. No Special Assessment shall be levied which exceeds twenty percent (20%) of the budgeted gross Expenses of such Association for that calendar year, without the vote or written assent of the Owners representing a majority of the votes of the Members of such Association. The Board shall, in its discretion, determine the schedule according to which such Special Assessment will be paid.

8.3.2 Consistent Basis of Assessment. Every Special Assessment levied by and for the Association shall be levied and paid upon the same basis as that prescribed for the levying and payment of Regular Assessments for such Association.

8.4 Limited Assessments. Notwithstanding the above provisions with respect to Regular and Special Assessments, a Board may levy a Limited Assessment against a Member as a remedy to reimburse the Association for costs incurred in bringing the Member and/or his Building Lot into compliance with the provisions of the governing instruments for Waterfront District.

8.5 Uniform Rate of Assessment. Unless otherwise specifically provided herein, Regular and Special Assessments shall be fixed at a uniform rate per Property Unit for all Members of the Association obligated to pay such Assessments.

8.6 Assessment Period. Unless otherwise provided in the By-Laws of the Local Association, or the applicable Supplemental Declaration, the Assessment period shall be the calendar year. For the year in which the Initiation Date occurs, the first Assessment shall be prorated according to the number of months remaining in the calendar year and shall be payable in equal monthly installments.

8.7 Notice and Assessment Due Date. Ten (10) days prior written notice of Regular and Special Assessments shall be sent to the Owner of every Building Lot subject thereto. The due dates for installment payment of Regular Assessments and Special Assessments shall be the first day of each month unless some other due date is established by the Board of the Association making the Assessment. Each monthly installment of the Regular Assessment or Special Assessment shall become delinquent if not paid within ten (10) days after the levy thereof. There shall accrue with each delinquent installment payment a late charge equal to ten percent (10%) of the delinquent installment. In addition, each installment payment which is delinquent for more than twenty (20) days shall accrue interest at eighteen percent (18%) per annum calculated from the date of delinquency to and including the date full payment is received by the Association. The Association making the Assessment may bring an action against the delinquent Owner and may foreclose the lien against his Building Lot as more fully provided herein. Each Owner is personally liable for Assessments and no Owner may exempt himself from such liability by a waiver of the use or enjoyment of any of the Common Areas, or by lease or abandonment of his Building Lot.

8.8 Estoppel Certificate. The Master Association or any Local Association, upon at least twenty (20) days prior written request, shall execute, acknowledge and deliver to the party making such request, a statement in writing stating whether or not to the knowledge of such Association a particular Building Lot Owner is in default under the provisions of this Declaration, and further stating the dates to which any Assessments have been paid by the Owner. Any such certificate delivered pursuant to this Section may be relied upon by any prospective purchaser or mortgagee of the Owner's Building Lot. Reliance on such certificates may not extend to any default as to which the signer shall have had no actual knowledge.

8.9 Special Notice and Quorum Requirements. Notwithstanding anything to the contrary contained in either the By-Laws or the Articles, written notice of any meeting called for the purpose of levying a Special Assessment, for the purpose of obtaining a membership vote in connection with an increase in the Regular Assessment, or for the purpose of instructing a Delegate as to his vote shall be sent to all Members of such Association not less than thirty (30) days nor more than sixty (60) days before the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the total votes of such Association shall constitute a quorum. If such quorum is not present, subsequent meetings may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one half (1/2) of the

quorum required at the preceding meeting. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

ARTICLE IX

ENFORCEMENT OF ASSESSMENTS; LIENS

9.1 Right to Enforce. Both the Master Association and each Local Association has the right to collect and enforce its Assessments pursuant to the provisions hereof or the provisions of any applicable Supplemental Declaration. Each Owner of a Building Lot upon becoming an Owner of such Building Lot shall be deemed to covenant and agree to pay each and every Assessment provided for in this Declaration or any applicable Supplemental Declaration and agrees to the enforcement of all Assessments in the manner herein specified. In the event an attorney or attorneys are employed for the collection of any Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, each Owner agrees to pay reasonable attorneys' fees in addition to any other relief or remedy obtained against such Owner. The Board of an Association or its authorized representative may enforce the obligations of the Owners to pay such Assessments by commencement and maintenance of a suit at law or in equity, or such Board may exercise the power of foreclosure and sale pursuant to Section 9.3 to enforce the liens created hereby. A suit to recover a money judgment for an unpaid Assessment shall be maintainable without foreclosing or waiving the lien hereinafter provided.

9.2 Assessment Liens.

9.2.1 Creation. There is hereby created a claim of lien with power of sale on each and every Building Lot to secure payment of any and all Assessments levied against such Building Lot pursuant to this Master Declaration or any Supplemental Declaration together with interest thereon at the maximum rate permitted by law and all costs of collection which may be paid or incurred by the Association making the Assessment in connection therewith, including reasonable attorneys' fees. All sums assessed in accordance with the provision of this Master Declaration shall constitute a lien on such respective Building Lots upon recordation of a claim of lien with the Ada County Recorder. Such lien shall be prior and superior to all other liens or claims created subsequent to the recordation of the notice of delinquency and claim of lien except for tax liens for real property taxes on any Building Lot and Assessments on any Building Lot in favor of any municipal or other governmental assessing body which, by law, would be superior thereto.

9.2.2 Claim of Lien. Upon default of any Owner in the payment of any Regular, Special or Limited Assessment issued hereunder, the Association may cause to be recorded in the Office of the Ada County Recorder a claim of lien. The claim of lien shall state the amount of such delinquent sums and other authorized charges (including the cost of recording such notice), a sufficient description of the Building Lot against which the same have been assessed, and the name of the record owner thereof. Each delinquency shall constitute a

separate basis for a notice and claim of lien, but any number of defaults may be included within a single notice and claim of lien. Upon payment to the Association of such delinquent sums and charges in connection therewith or other satisfaction thereof, the Association shall cause to be recorded a further notice stating the satisfaction of relief of such delinquent sums and charges. The Association may demand and receive the cost of preparing and recording such release before recording the same.

9.3 Method of Foreclosure. Such lien may be foreclosed by appropriate action in court or by sale by the Association establishing the Assessment, its attorney or other person authorized to make the sale. Such sale shall be conducted in accordance with the provisions of the Idaho Code applicable to the exercise of powers of sale permitted by law. The Board is hereby authorized to appoint its attorney, any officer or director of the Association, or any title company authorized to do business in Idaho as trustee for the purpose of conducting such power of sale or foreclosure.

9.4 Required Notice. Notwithstanding anything contained in this Master Declaration to the contrary, no action may be brought to foreclose the lien created by recordation of the notice of delinquency and claim of lien, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after a copy of such claim of lien has been deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Building Lot described in such notice of delinquency and claim of lien, and a copy thereof is recorded by the Association in the Office of the Ada County Recorder.

9.5 Subordination to Certain Trust Deeds. The lien for the Assessments provided for herein in connection with a given Building Lot shall not be subordinate to the lien of any deed of trust or mortgage except the lien of a first deed of trust or first mortgage given and made in good faith and for value that is of record as an encumbrance against such Building Lot prior to the recordation of a claim of lien for the Assessments. Except as expressly provided in Section 9.6 with respect to a first mortgagee who acquires title to a Building Lot, the sale or transfer of any Building Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Master Declaration.

9.6 Rights of Mortgagees. Notwithstanding any other provision of this Master Declaration, no amendment of this Master Declaration shall operate to defeat the rights of the beneficiary under any deed of trust upon a Building Lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after the foreclosure of any such deed of trust such Building Lot shall remain subject to this Master Declaration as amended.

ARTICLE X

INSPECTION OF ASSOCIATION'S BOOKS AND RECORDS

10.1 Member's Rights of Inspection. The membership register, books of account and minutes of meetings of the Board and committees of an Association shall be made available for inspection and copying by any Member of the Association or by his duly appointed representatives, at any reasonable time and for a purpose reasonably related to his interest as a Member at the office of the Association or at such other place as the Board of such Association shall prescribe.

10.2 Rules Regarding Inspection of Books and Records. The Board shall establish reasonable rules with respect to:

10.2.1 Notice to be given to the custodians of the records by the persons desiring to make the inspection.

10.2.2 Hours and days of the week when such an inspection may be made.

10.2.3 Payment of the cost of reproducing copies of documents requested pursuant to this Article.

10.3 Director's Rights of Inspection. Every Director shall have the absolute right at any reasonable time to inspect all books, records and documents of the Association of which he is a Director, and the physical properties owned or controlled by such Association. The right of inspection by a Director includes the right to make extracts and copies of documents.

ARTICLE XI

ARCHITECTURAL COMMITTEE

11.1 Creation. Within thirty (30) days of the date on which the Grantor first conveys a Building Lot to an Owner, Grantor shall appoint three (3) individuals to serve on Waterfront District's Architectural Committee ("Committee"). The Committee thereafter shall consist of three (3) members. Each member shall hold office until such time as he has resigned or has been removed, or his successor has been appointed, as provided herein. Members of the Committee may be removed by the person or entity appointing them at any time without cause.

11.2 Grantor's Right of Appointment. At any time prior to five (5) years after the date of this Master Declaration that Grantor is the Owner of at least ten percent (10%) of the aggregate Building Lots or one (1) of the Neighborhood Areas, Grantor shall have the exclusive right to appoint and remove all members of the Committee. At all other times, the Master Association Board shall have the right to appoint and remove all members of the Committee. If a vacancy on the Committee occurs and a permanent replacement has not yet been appointed, Grantor or the Master Association, as the case may be, may appoint an acting member to serve for a specified temporary period not to exceed one (1) year.

11.3 Review of Proposed Construction. The Committee shall consider and act upon any and all proposals or plan and specifications submitted for its approval pursuant to this Declaration, and perform such other duties as from time to time shall be assigned to it by the Board of the Master Association, including the inspection of construction in progress to assure its conformance with plans approved by the Committee. The Master Association Board shall have the power to determine, by rule or other written designation consistent with this Declaration, which types of Improvements shall be submitted for Committee review and approval. The Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden on either the Master Association or any Local Association.

11.3.1 Conditions on Approval. The Committee may condition its approval of proposals or plans and specifications upon such changes therein as it deems appropriate, or upon the agreement of the Owner submitting the same (“Applicant”) to grant appropriate easements to an Association for the maintenance thereof, upon the agreement of the Applicant to reimburse an Association for the cost of maintenance, or upon all three, and may require submission of additional plans and specifications or other information before approving or disapproving material submitted.

11.3.2 Committee Rules and Fees. The Committee also may issue rules or guidelines setting forth procedures for the submission of plans for approval, requiring a fee to accompany each application for approval, or additional factors which it will take into consideration in reviewing submissions. The Committee shall determine the amount of such fee in a reasonable manner, provided that in no event shall such fee exceed Two Hundred Fifty Dollars (\$250.00) per Property Unit, and shall be reasonably reduced in the case of townhouses with repeated designs, or in the case of the condominiums. Such fees shall be used to defray the costs and expenses of the Committee or for such other purposes as established by the Board.

11.3.3 Detailed Plans. The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, landscape plans, drainage plans, elevation drawings and descriptions or samples of exterior material and colors. Until receipt by the Committee of any required plans and specifications, the Committee may postpone review of any plan submitted for approval.

11.3.4 Committee Decisions. Decisions of the Committee and the reasons therefor shall be transmitted by the Committee to the Applicant at the address set forth in the application for approval within twenty (20) days after filing all materials required by the Committee. If the Committee shall fail to act within such twenty (20) day period, the Applicant may request appropriate action by the Board, and the Board may then, at its discretion, act upon the application in lieu of action by the Committee.

11.4 Meetings of the Committee. The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time by resolution unanimously adopted in writing, designate a Committee Representative (who may, but need not be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 11.9. In the absence of such designation, the vote of any two (2) member of the Committee, or the written consent of any two (2) members of the Committee taken without a meeting, shall constitute an act of the Committee.

11.5 No Waiver of Future Approvals. The approval of the Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter, whatever subsequently or additionally submitted for approval or consent.

11.6 Compensation of Members. The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder, provided that a member or a Committee representative who is an architect may be paid a fee approved by the Board of the Master Association.

11.7 Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

11.7.1 Upon the completion of any work for which approved plans are required under this article, the Owner shall give written notice of completion to the Committee.

11.7.2 Within thirty (30) days thereafter, the Committee or its duly authorized representative may inspect such improvement. If the Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such thirty (30) day period, specifying the particular noncompliance, and shall require the Owner to remedy the same.

11.7.3 If upon the expiration of thirty (30) days from the date of such notification or any longer time the Committee determines to be reasonable, the Owner shall have failed to remedy such noncompliance, the Committee shall notify the Master Association Board in writing of such failure. Upon notice and hearing, as provided in the By-Laws, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of the announcement of the Board ruling unless the Board specifies a longer time as reasonable. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the noncomplying improvement or remedy the noncompliance, and the Owner shall reimburse the Master Association, upon demand, for

all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Master Association, the Board shall levy a Limited Assessment against such Owner for reimbursement pursuant to this Declaration.

11.7.4 If for any reason the Committee fails to notify the Owner of any noncompliance within thirty (30) days after receipt of the written notice of completion from the Owner, the improvement shall be deemed to be in accordance with the approved plans.

11.8 Non-Liability of Committee Members. Neither the Committee nor any member thereof, nor its duly authorized Committee representative, shall be liable to any association, or to any Owner or Grantee for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's duties hereunder, unless due to the wilful misconduct or bad faith of the Committee. The Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and to the Property generally. The Committee shall take into consideration the aesthetic aspect of the architectural designs, placement of building, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of any plan or design from the standpoint of structural safety or conformance with building or other codes.

11.9 Variances. The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variances must be evidenced in writing, must be signed by at least two (2) members of the Committee, and shall become effective upon recordation in the Office of the County Recorder of Ada County. The recorded form shall be duly executed by appropriate officers of the Master Association to be effective as an amendment to this Declaration or any Supplemental Declaration. If such variances are granted, no violation of the Restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or of any Supplemental Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the premises, including but not limited to rights of Garden City under this Declaration or zoning ordinances and lot set-back lines or requirements imposed by any governmental or municipal authority.

11.10 Local Architectural Committee. Each provision of this Article shall apply to the Local Architectural Committee as if it were the Architectural Committee and to the Local Association as if it were the Master Association, except to the extent that such interpretation would be in conflict with the provisions of this Article.

ARTICLE XII

ANNEXATION OF ADDITIONAL PROPERTIES

12.1 By Grantor. Grantor intends to develop the Property shown in the Waterfront District Plat and may develop other adjacent properties, and may deem it desirable to annex some or all of such adjacent properties to the property covered by this Master Declaration. Annexed Tracts may be annexed to the Property and brought within the provisions of this Master Declaration as provided herein by Grantor, its successors or assigns, at any time, and from time to time, without the approval of any Owner or Association. The use and development of such Annexed Tracts shall conform to zoning limitations.

12.2 By Master Association. In addition to the provisions concerning annexation by Grantor specified in Section 12.1 above, Annexed Tracts may be created, subject to the same conditions, by the Master Association upon the approval by Delegates of at least eighty percent (80%) of the votes of the Master Association.

12.3 Rights and Obligations of Owners of Annexed Tracts. Subject to the provisions of Section 12.2, upon the recording of a Supplemental Declaration as to any Annexed Tract all provisions contained in this Master Declaration shall apply to the Annexed Tract in the same manner as if it were originally covered by this Declaration, subject to such modifications, changes and deletions as specifically provided in such Supplemental Declaration, such Annexed Tract shall be treated for all purposes as a Neighborhood Area as defined above. The Owners of the lots located in the Annexed Tracts shall become members of the Master Association and shall become liable for their appropriate share of Assessments. Title to the Common Areas of any Annexed Tract which are to be owned and managed by the Master Association, shall be free and clear of any and all encumbrances and liens, subject to reservations, easements, covenants, conditions and restrictions then of record including those set forth in this Declaration or any Supplemental Declaration applicable to such Annexed Tracts.

12.4 Method of Annexation. The addition of an Annexed Tract to the Property authorized under Sections 12.1 and 12.2 shall be made by filing of record a Supplementary Declaration of Annexation including Covenants, Conditions and Restrictions, or other similar instrument with respect to the Annexed Tract, which shall be executed by Grantor or the owner thereof and which shall annex such property to the Property. Thereupon each Annexed Tract shall be a part of the Property, shall be subject to this Master Declaration and encompassed within the general plan and scheme of Restrictions contained herein as modified by such Supplemental Declaration, and shall

be subject to the functions, powers and jurisdiction of the Master Association, any Local Association and Recreational Association established for the area encompassing such Annexed Tract. Such Supplemental Declaration of Annexation or other appropriate document may contain such additions, modifications or deletions of any Restrictions contained in this Master Declaration as may be deemed by Grantor or the owner thereof desirable to reflect the different character, if any, of the Annexed Tract, or as Grantor or such owner may deem appropriate in the development of the Annexed Tract. However, in no event shall such Supplemental Declaration of Annexation revoke, modify or add to the Restrictions established by this Master Declaration as they pertain to the Property as of first filing of this Declaration, and the Owners. If any Annexed Tract is created, the Master Association, or the Local Association shall have the authority to levy assessments against the Owners located within such Tract, and the Master Association shall have the duty to maintain additional Waterfront District Common Area located within the Annexed Tract if so specified in any Supplemental Declaration. No annexation of property shall substantially increase Assessments payable by Owners.

12.5 Deannexation. Grantor may delete all or a portion of the Property described on Exhibit A, including previously Annexed Tracts, from the Property and from coverage of this Master Declaration and the jurisdiction of any Association, so long as Grantor is the Owner of all such Tracts and provided that a Supplemental Declaration of Deletion of Property is recorded in the Office of the Ada County Recorder in the same manner as a Supplemental Declaration of Annexation. Members other than Grantor as described above, shall not be entitled to de-annex all or any portion of a Tract except on the favorable vote of eighty percent (80%) of all members of the Master Association, which 80% super-majority shall be applicable separately to those Owners residing in the portion proposed to be de-annexed, and those not.

14.3.12 All taxes on the Common Areas must be assessable against those Common Areas only and the Master Association or Local Association owning such Common Areas are solely responsible for payment of such taxes.

14.3.13 Any provision in this Master Declaration which requires Owners to indemnify the Association, other Owners or the Board, against acts of the indemnitor is subject to the exception that if the liability, damage or injury is covered by any type of insurance, the indemnitor is relieved of liability to the extent of insurance coverage.

14.3.14 Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for planned unit development projects established by Federal National Mortgage Association and Government National Mortgage Association, so long as either is a Mortgagee or Owner of a Building Lot within the project, except to the extent such coverage is not available or has been waived in writing by Federal National Mortgage Association or Government National Mortgage Association.
