Notice and Certification of Solar Systems Specification Compliance

Name:

Address:

Regarding your request to install a solar system upon your roof, before you begin the process and together with the ACC form, we need a copy of the quote from the installer / contractor and a photo sample of the solar system that will be used, together with this signed compliance form. Once these items have been received and upon Architectural Committee and board approval, you may begin the solar system project, keeping in mind that all materials used must comply with the Architectural Guidelines, section 4.32 which runs thru 4.32.9, a copy is enclosed and is an integral component of this compliance.

Please return this compliance notice with your and your installer / contractor's signatures and dates, stating that you and your contractor have read, understand and will comply with above section of the Meadow Creek HOA Architectural Guidelines. Any deviation shall be the homeowner's responsibility to correct in order to comply with Architectural Guidelines section 4.32. Failure to do so within 60 days of notification of non-compliance will result in the filing of a lien against the homeowner's property by MCHOA.

Yours truly

Meadow Creek Architectural Committee

I have read the above and by my signature below certify that I am in compliance with the Architectural Guidelines section 4.32 on solar installations.
